"Disability does not mean inability"

## **Container Needs:**

***We are currently collecting items and supplies to be shipped to Liberia to be used by the disabled in our care. Families of disabled individuals often cannot afford these items and many of them are simply not available there. These items will eventually be shipped to Liberia via sea container. For more information, feel free to contact us at 570-675-3397 or [erockensies@epix.net](mailto:erockensies@epix.net).***
